Dutch Youngster

2006 registered KWPN Dutch WB gelding by European showjumping stallion Tangelo vd Zuuthoeve out of a KWPN "ster" branded Burggraaf mare.

"Big Ben" is a great big teddy bear looking for a job and someone new to please. He lunges nicely, is going well under saddle, and is ridden indoors and out. He clips, is good for the farrier & vet, and self loads into the trailer. He can be turned out with mares or geldings.

Ben has super comfortable gaits! He has the movement & temperment to do well in the dressage arena, but also loves to jump! His future is very bright.

Ben is a barn favorite, sure to win you over with his sweet personality.

Substantial price for this future star. The price will increase with competition experience in 2012.
